ROSEMONT ROSES yield their fragrance and beauty in gardens of the south and north. Make your selection from the varieties given in this folder.

Return Postage Guaranteed.
Rosemont Nurseries, Tyler, Texas.
**BETTER ROSES from Rosemont**

ROSEMONT ROSES have an enviable reputation for quality. Thousands and thousands of our plants go into every state in the Union, growing and blooming freely in tiny gardens, in large estates, and in famous Rose-gardens.

Our nurseries (over 75 acres) are in the heart of the East Texas Rose district, 4 miles west of Tyler, on the Dixie Highway. In the fall, when the plants are in full bloom, the fields are a sight worth traveling miles to see. We shall be happy to have you visit us at any time. That you may know more about Rosemont Roses we send this folder, and give three reasons why Rosemont Roses should be in your garden.

1. The first reason is that no flower is more to be desired than the Rose. Go where you will, in almost any part of the world, unless it be in the ice-bound zones, the Rose reigns supreme in every garden.

2. The second reason is that the fall is the ideal season to plant Rosemont Roses. They have ample time to become established during the colder months, and attain the vigor needed to bloom freely next summer.

3. The third reason is that Rosemont Nurseries grow all the Roses they sell, therefore they grow varieties chiefly adapted to the great southern part of the country. It is their aim to supply first-quality plants only. In addition to the varieties here named, we have a limited number of standard varieties that are favorites with some growers, together with many Rugosa Roses desirable for massing and hedges. We shall be happy to give you full details if you write us.

Prices this season are practically the same as a year ago. We do not believe this condition will prevail another season. Labor and supplies of all kinds are increasing in cost, and in view of these rising costs the price of plants must soon be raised. We advise purchasing this fall and saving these certain increases. But, remember, your own plants increase in value each year, so your present savings mean greater rewards as time goes on.

Please note that at prices quoted in this folder we prepay postage, express or freight charges, on orders amounting to $1.50 or more, unless otherwise stated.

**Simple Suggestions for Growing Roses**

Any good soil, in a sunny location, and away from trees and shrubbery, is right for Roses. The soil should be spaded or plowed deeply, and all plant-food should be placed as far down as possible (see illustration at bottom of page).

Rosemont Roses are pruned ready for setting—they will not need further pruning the first season. If roots should be broken in packing, cut them off before planting.

Make the hole deep, and be sure that the plant is set low enough so that the bud-union will be at least 4 inches below the top of the soil, and the roots spread, as shown in the illustrations at bottom of page. Pack the soil tightly around the roots, but leave the top soil slightly loose to act as a mulch and to retain moisture. If fertilizer is required on the surface, spread it carefully and work into the top soil, but avoid having fertilizer or plant-foods in direct contact with the roots.

Should watering be required in dry weather, be sure to soak the soil thoroughly. A light sprinkling is almost useless. Good cultivation and loose top soil, or a mulch of pea moss, is surely as important as watering. Mildew and Black-Spot may be controlled with a mixture of 9 parts dusting sulphur to 1 part arsenate of lead, applied weekly with a dusting-gun or muslin bag.

When cutting the blooms, be sure to let two leaves remain on the branch (see illustration).

**ROSEMON NURSERIES Box 844 Tyler, Texas**

Roses will not be cheaper. Good two-year, field-grown Roses are scarce this season. Get your orders in early. Six Roses may be ordered at the dozen rate. An order may be assorted and the dozen rate will apply.

---

**Please Note.** We do not prepay transportation charges on orders amounting to less than $1.50. Purchaser must pay such charges. Get your friends and neighbors to club with you and obtain the better rate for large orders.

A. Shows depth to plant. B. Shows where plant was budded. Rose plant with top cut back and long roots shortened. The result of proper planting and pruning. The black line shows where to cut. Let two leaves remain on the branch.
Rosemont’s Select List of Everblooming Roses

NEW AND SCARCE VARIETIES

Two-year, first-size, field-grown plants, 50 cts. each,

$5 per doz., prepaid, except where otherwise noted

Angele Pernet. Very large, double, extremely fragrant, reddish orange flowers, shaded chocolate-yellow. Abundant bronze-green foliage. Flower burnt-orange, streaked red, moderately fragrant. Two-year, first-size plants, $1 each, $10 per doz., prepaid.

Betty Uprichard. Delicate salmon-pink, reverse of petals carmine, with coppery sheen. Large, light green, foliage very vigorous. Very good. 

Briarcliff. Sport of Columbia and a better Rose. Deep rose-pink, long-pointed bud; high-centered flower one-third larger than Columbia. 

Caledonia. By far the prettiest white Rose we have grown. Extremely large, long-pointed bud; flower large, very double, high-centered. borne on long, strong stem. Leathery, dark green foliage. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Dame Edith Helen. Beautiful, even shade of glowing pink. Very large, full, double, high-centered flower, with recurring petals.

Duchess of Atholl. Bud large, globular, deep bronze; flower large, double, intensely fragrant, vivid orange, flushed old rose.

Edith Nellie Perkins. Very interesting and pretty Rose with outside of petals orange-cerise and inside salmon-pink, with orange shading. 

E. G. Hill. Beautiful bud and immense flower of dazzling scarlet, shading to a deeper pure red. Fine. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Etoile de Hollande. One of the best red Roses on the market. Dark red, overlaid with almost velvety black shadings. Irresistible.

Feu Imperial. New and scarce. Large, long-pointed bud; Indian yellow flower. Free bloomer. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Gaiety. Mixture of orange, Indian red, and silver. Large, long-pointed bud. 

Golden Emblem. Bud yellow, splashed and shaded with red; large canary-yellow flower. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Grace Noll Cowell. Large, long-pointed bud; very double, high-centered rose-pink flower. Excellent.

Hollywood. Long-pointed bud; high-centered, dark rose or light red flower, veined darker.

Imperial Potentate. Large, double, high-centered, lasting flower of dark rose-pink, slightly lighter on reverse of petals.

Joanna Hill. Bud very large, long-pointed; flower larger than Sunburst and a darker yellow. Large, green, leathery foliage. Excellent new yellow. 

John Russell. A strong grower with a very large flower of rich crimson, flushed deeper—all black.

Juliet Poppin. Long-pointed, citron-yellow bud; large, double, high-centered flower of pure primrose-yellow. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Lady Margaret Stewart. Bud long-pointed, orange-yellow, with cerise markings.

Lucinda. A dark pink sport of Columbia with very large, double flower. Free bloomer.

Lulu. Long-pointed, orange-red bud; large, single, very lasting salmon-rose flower.

Lord Charlemont. Well-shaped, fragrant flower of clear deep crimson. 

Margaret McGredy. One of our prettiest and most satisfactory Roses. Flower large, very double, orange-scarlet. Different. 

May Wettens. This is one of the best pinks. Large, very double, high-centered, rosy pink flower.

Mevrouw G. A. van Rossem. Large, full, double, fragrant flower of orange and apricot on dark golden yellow ground; reverse of petals often dark bronze. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Miss Lola Armour. Chocolate-yellow, shading to burnt-orange and copper. Good grower and bloomer.

Miss Rowena Thom. Large, long-pointed bud; enormous flower whose color is a blending of rose, mauve, old gold, and yellow. Miss Willmott. Large, double, moderately fragrant, soft-scented bloom, with faintest flush of pale pink at edges of petals. A desirable rich white Rose.

Mrs. A. R. Barraclough. New and scarce. Extremely large, very double, high-centered flower of bright, soft, sparkling pink. Good grower. Two-year, first-size plants, 60 cts. each, $6 per doz., prepaid.

Mrs. Ernestine Pembroke Thom. Large, high-centered, very double, clear deep canary-yellow flower without a trace of shading.

Mrs. Henry Morse. Long-pointed bud; high-centered flower of a warm shade of pink, flushed salmon.

Olympiad. A handsome new red Rose. Long-pointed bud; flame-scarlet, high-centered bloom of good size, with recurring petals. This is an unusual shade of red, with an undertone of orange-yellow. Two-year, first-size plants, $1 each, $10 per doz., prepaid.

Padre. Bright coppery scarlet, flushed with yellow. Good grower and abundant bloomer.

President Herbert Hoover. Long-pointed bud; flower large, semi-double, moderately fragrant, medium orange, except for red splashes that are especially noticeable during cool weather.

Priscilla. One of our prettiest and most desirable pink Roses. Large, handsome bud; extremely large, high-centered flower with recurring petals of an even shade of rose-pink.

Rev. F. Page-Roberts. Copper-red bud, opening to golden yellow, fragrant flower, with outside of petals stained with red.

Shot Silk. Orange-rose, over-shot with golden yellow. Beautiful flower and foliage.

Souvenir de Claudius Pernet. Fine pure yellow; very large and double.

Talisman. Golden yellow and copper. This is a new Rose which has been very satisfactory. Everyone wants Talisman.

Rosemont’s Select List of Everblooming Roses

STANDARD OLDER VARIETIES

Two-year, first-size, field-grown plants, 35 cts. each, $3.50 per doz., prepaid

American Beauty. Large, vivid crimson flowers. An old and well-known favorite.

Angelus. Large, fine white, with slight tint of cream at base of petals.

Antoinette Rivière. Rich creamy white, delicately tinted with pink.

Betty. Large, coppery pink blooms, overspread with yellow.

Bridesmaid. Clear pink, fragrant, old-time favorite.

Columbia. Glowing rose-pink. The leading well-known pink.

Commonwealth. Comparatively new. Long-pointed buds and large, double flowers of a clear, even shade of pink.

Crusader. Rich velvety crimson. Robust; free flowering.

Duchesse de Brabant. An old Rose, still loved. Soft rosy pink, deepening to bright rose.

Duchess of Wellington. Long-pointed buds; large, saffron-yellow blooms.

Etoile de France. A brilliant shade of yellow, velvety crimson-red.

Francis Scott Key. One of the largest reds. Easy to grow. The deep red blooms spreading to cerise, last well when cut.

Frank W. Dunlop. High-centered, very double, fragrant blooms of deep, bright rose-pink.

Frau Karl Druschki (White American Beauty). Pure white, very fragrant.

General MacArthur. A dark red Rose of good size, double, lasting, and intensely fragrant.

General-Superior Arnold Janssen. Glowing deep carmine; fragrant.

Harrison’s Yellow. Golden yellow, semi-double blooms in great profusion early in spring. Prune by removing only weak canes. Blooms in spring only.

Helen Gould. An old favorite. Large, double, very fragrant blooms of a good shade of pink.

Henry Nevard. Large, very double, fragrant, crimson-scarlet flowers.

Hoosier Beauty. Splendid dark rich red, high-centered Rose with recurving petals; fragrant.

Johntree J. L. Mock. Clear pink; underside of petals rosy, almost silver-white. One of the best.

Kaiserin Auguste Victoria. Flower pure white, with never a tinge of pink.

Kilian. Long-pointed bud; large, lasting, bright sparkling pink flower.

Killarney Brilliant. Brilliant pink, long-pointed bud; flower medium size, deep rose carmine in cloudy weather.

Killarney, White. Same as Double White Killarney except that flower is not so double. An old favorite.

Lady Ashdown. Pleasing carmine-pink; beautiful, well-shaped flower.

Lady Bellington. Even shade of golden yellow. Good bloomer; desirable yellow.

Los Angeles. Flame-pink, toned coral, shaded gold. Large, long-pointed bud, devolving to yellow, very fragrant.

Mary, Countess of Ilchester. Unique crimson-carmine-pink; deliciously scented. An eye-catcher.

Matchless. Deep rose-carmine, deepening to pure red in cool weather.

Mme. Butterfly. A harmony of bright pink, suffused with apricot and gold.

Mme. Edouard Herriot. Coral-red, shaded yellow. In autumn this Rose is a pronounced shrub-red. Fine.

Mme. Jenny Gillenot. Saffron-yellow and canary, with dark golden shades.

Mme. Jules Bouche. White, center shaded primrose or pale blush.

Mrs. Aaron Ward. Medium-sized, pointed bud; high-centered flower of Indian yellow, occasionally splashed with salmon.

Mrs. B. R. Cant. A dark red, shading into a mixture of rose—very odd and pretty.

Mrs. Charles Bell. A sport of Radiance, and like it except the color is a good even shade of shell-pink.

Mrs. George Shawyer. Brilliant satiny pink; large, well-shaped flowers.

Mme. Mrs. Henry Morse. Good grower; even in dry weather.

Mrs. Henry Winnett. Flower well shaped, deep, rich red. Good stem and foliage.

National Emblem. High-centered, dark crimson flower overlaid with velvety dark crimson shadings.

Paul Neyron. Extremely large flowers on very long stems; clear pink, shading to rose.

Persian Yellow. A hardly, vigorous grower, covered in spring with a solid mass of semi-double yellow flowers along the entire length of arching blooms in spring only.

Pink La France. Large, loose, full, very fragrant flower; silvery pink, reverse bright pink.

Pink Maman Coch. Well-known Tea Rose, coral-pink, shaded rosy crimson.

Radiance. Leading pink of clear, even shade. Well known.

Red Radiance. One of the best Red Roses on the market. Plant Radiance family for ease of culture, profusion of fine bloom, and general satisfaction.

Rosa Hugonis. Small growing, hardy, shrub Rose, literally covered with small yellow flowers early in spring.

Rose Premier. Clear, deep rose-pink; very fragrant. Pretty.

Sensation. Long-pointed buds; large, full blooms of darkest velvety red with very dark shadings.

Sunburst. Leading orange-yellow, varying in color with weather conditions.

White Maman Coch. Creamy white, edges flushed rose. Profuse.

White Ophelia. Large, intensely fragrant white flower, with slight pink tinge which disappears as bloom opens.

William F. Depot. Large, double, pointed bud; shell-pink to yellow.

Wille'more. Rich salmon-pink; large bud and flower.
DWARF POLYANTHA ROSES

These little Roses are excellent in mass planting, as borders, or as specimens.

Two-year, field-grown, first-size plants, 35 cts. each, $3.50 per doz., prepaid, except as noted

Cecile Brunner (Sweetheart Rose). Exquisite Rose with sprays of rich, rosy pink baby buds and perfectly double, miniature, shell-pink flowers.

Chatillon Rose. One of the best dwarf Roses. Large trusses of bright pink flowers.

George Elger. In bloom it is a solid mass of little golden yellow buds and flowers.

Gloria Mundi. A new dwarf Rose that bears a profusion of miniature orange-scarlet blossoms. The prettiest Baby Rose we have grown. 50 cts. each, $5 per doz., prepaid.

Golden Salmon. Large trusses of miniature blossoms; salmon-orange shade.

Gruss an Aachen. Blooms large for its class, extremely double, orange-salmon at center, passing to white at edges. Very dwarf.

Ideal. Dark velvety crimson trusses of small, double, slightly fragrant blooms.

Katharina Zeimet. The white Baby Rose with fragrance similar to hyacinths.

Miss Edith Cavell. One of the best dark red Baby Roses. Large trusses of scarlet-crimson blooms which hold color well.

Two-year, first-size plants, 50 cts. each, $5 per doz., prepaid.

Orleans. Huge bouquet of small, double red Roses.

DWARF POLYANTHA ROSES, continued

Perle d'Or. Tiny, pointed buds of salmon-orange and very double flower of salmon-pink; intensely fragrant.

Rudolph Kluis. Miniature, very double flowers of pure vermilion-red.

Select List of EVERBLOOMING CLIMBING ROSES

Two-year, field-grown, first-size plants, 35c. each, $3.50 per doz., prepaid, except as noted

Cl. Columbia. Climber of merit. Like bush Columbia.

Cl. Etoile de France. Climbing sport of Etoile de France and like it in flower.

Cl. Gruss an Teplitz. A perfect sheet of crimson.

Cl. Kaiserin Auguste Viktoria. The best white climber.

Cl. Lady Hillingdon. Same as Lady Hillingdon, but is a good climber.

Cl. Mrs. Aaron Ward. Flowers identical with its parent, the bush Mrs. Aaron Ward.

Cl. Ophelia. Salmon-flesh, shaded rose; very fragrant.

Cl. Pink Coch. Good grower and bloomer. Like bush Pink Cochet.

Cl. President Hoover. Same as parent, but excellent climber. 50 cts. each, $5 per doz., prepaid.

Cl. Radiance. Sport of Radiance, and like it except that it is an everblooming climber.

Cl. Red Radiance. Sport of Red Radiance, and like it except that it is a good climber.

Cl. Talisman. Sport of Talisman, and like it except it is of climbing habit.

Cl. White Coch. Like bush White Cochet.

Cl. Wootton. Velvety red. One of our best red Roses.

Two-year, first-size plants, 50 cts. each, $5 per doz., prepaid.

Scorch. This is a new and entirely different red climbing Rose. Petals ruffled and blazing rose-red. Very spectacular. Blooms several times during a season. Two-year, first-size plants, 50 cts. each, $5 per doz., prepaid.

HARDY RAMBLERS

Two-year, first-size plants, 35 cts. each, $3.50 per doz., prepaid, except as noted

American Pillar. Large, five-petaled rosy pink flower, having white center and yellow stamens, in large clusters. Mass of bloom in spring.

Chaplin's Pink Climber. New. Large, semi-double, clear, soft pink blooms having golden stamens, and borne in clusters.

Dr. W. Van Fleet. Delicate pink, high-centered flowers with recurving petals, borne one blossom to a stem. Spring bloomer. One of the best.

Emily Gray. Large, semi-double, deep golden buff flowers. It is attractive in both flower and foliage.

Gardenia. Bright yellow buds; double, cream flowers.

Jacotte. Orange-yellow bud; large, semi-double, deep coppery yellow flower tinted coppery red.

Lady Gay. Similar to the well-known Dorothy Perkins, but of a more even, clear pink. Dark green, glossy foliage. Does not mildew.

Mary Wallace. Large, semi-double, clear pink flowers. Glossy foliage. Profuse bloomer in spring and again occasionally throughout the season.

Paul's Scarlet Climber. Bears a profusion of bright scarlet flowers—a “different red.” Makes an excellent pillar.

Primrose. Large, double, bright primrose-yellow flower, passing to canary. Rich green, glossy foliage.

Silver Moon. Large, semi-double, silvery white flowers.
